THOMAS PRINTZ' PRIVATE BULLETIN. A BRIDGE TO FREEDOM PUBLICATION.

April 13th 1958. VOL.7. NO. 2.

Beloved Children of God:

The Living Three-fold Flame which beats your heart is the motivating agent of the Primary Substance of Life which creates within you the Sacred Fire of Creation. In your meditation stand reverently before this Holy Tabernacle within which this Flame abides.

This Sacred Fire which you use so freely (and often unthinkingly) in your thoughts, feelings, your worded expressions and actions understanding and reverencing Its Presence is not mystic nor magic. Your human creation is qualifird Life - imperfectly qualified through thought and feeling. The Sacred Fire of Cosmic and constructive creation is the same Life qualified with harmony, wisdom, healing, peace and supply unlimited.

Each student must become a Lord of The Flame through the use of the Flame in his own heart and learn to send forth constructively qualified Energy to fill his aura, and then the world around him with Light.

You have individually, dear hearts, made such excellent progress in the time during which We have been so closely associated in these recent years, that today I feel I can talk to you intimately. I suggest that you ask yourselves, what are you contributing to the Universe - depression, confusion, shadow or harmony, wisdom, healing, peace and supply of every good thing? Start each day resolved to bring peace and harmony wherever you move. Remember the Power to do this is given you by the Father of all and anchored within your own heart. Let this loving Life flow in, through and about you as easily as you turn the electric light switch to illumine a room. God, through you, has chosen to express some particular manifestation of Himself on this Earth, to release a perfume from your being as a comfort to others in need - some sacred manifestation of love which only God and your own "I AM" Presence know can and should be externalized. Remember, some part of the Divine Plan is hidden within you which has never been fully expressed in this evolution; for all is One, yet all different in expression.

Let us now be practical in the application of this knowledge....Every electron which enters your heart through the silver cord from your own "I AM" Presence becomes your responsibility. It flows out through your four lower bodies into your world and eventually returns on the Law of the Circle to you. Therefore, let every thought, feeling, word and deed be bathed in love and in the faith that, through the Power of God's Life within you, you can do all things well. Renounce all doubt, stubborness and false appearances, and know that you are not alone and that you are or can be Master of the conditions affecting your life on this earthly plane. I call to Sanat Kumara and all the Lords of the Flame to help you to cognize and utilize the God Power now!

In the name of Love, Life and Faith I thank you for your endeavors and I bless you for endeavoring to utilize this instruction for your own Mastery and the Ascension of the planet Earth at this time!

Love and Blessings

The Maha Chohan.
